MEMORANDUM FOR: The Honorable Harold Brown  
The Secretary of Defense

SUBJECT: Congressional Hearings

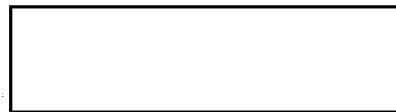

1. Attached for your information is a copy of a letter from the Senate Select Committee on Intelligence concerning their schedule of hearings on the FY 1979 National Foreign Intelligence Program Budget.

2. In addition to hearings with the DCI and each Program Manager, the Senate Select Committee has scheduled four "issue-oriented hearings" cutting across traditional program lines. I expect these hearings will involve both DoD and national intelligence community personnel. I suggest our staffs work together to assemble the appropriate group of witnesses for these hearings.

3. I have also attached a copy of the letter I received from the House Permanent Select Committee on Intelligence. I have taken steps to advise the National Foreign Intelligence Program Managers of these hearings. I assume that you have initiated activities within DoD to meet the Committee's needs with respect to the Intelligence-Related Activities hearings.

4. I look forward to working together with you in defending the budget before Congress.
